Fraud Detection and Prevention Guidelines

At ICICI Bank, we take great care to protect our customers from any type of fraud which may occur during the course of a banking transaction resulting into wrongful gain to any unauthorised person by way of concealment of facts or otherwise.

We request our customers to do the proper due diligence while doing any banking transactions or interacting with the Bank's authorised representatives

Important guidelines which will help prevent fraudulent transactions:

- Verify the authenticity of the Executive visiting you to collect any outstanding dues. Always check their identity card issued by the Bank. In case, the Executive is unable to display the same, please do not handover any money to the Executive.
- Stamp on the executive’s identity card should be partially on the photograph and on the ID card.
- Always ask for the 'Customer Copy' of the physical or online receipt for the payment made.
- In case of a physical receipt, please check the hologram on the 'Customer Copy'.
- se do not accept 'Customer Copy' if the details are on Copy'.

- Always check for details mentioned in the ‘Customer Copy’ as well as the ‘Bank's Copy’. In case of any discrepancy, highlight the same to the Bank official.
- Check the mode of payment in the receipts issued.
- Always keep a photocopy of the electronic receipts for future reference.
- A single receipt is valid only for cash payment up to ₹49,999
- To prevent misuse, please fill all the details on the cheque and sign it yourself with your own pen before handing over the cheque to the authorised Executive.
- Check the details filled on the receipts and strike out whichever is not applicable.
- Do not sign on any physical blank receipts provided by the authorised Executive.
- Always check whether the deposited money is updated in your loan/ card account or not. In case it is not updated, inform the ICICI Bank Customer Care or visit the nearest branch within 15 days, post which the Bank's record will be considered as final.
- Never share your Card Number, CVV, PIN, expiry date, OTP, Net Banking User ID, Password or URN with anyone, even if the caller claims to be a Bank employee. Sharing these details can lead to unauthorised access to your account. Your Bank will not ask for such details.
- Always check the URL of the websites while making the payment through online mode i.e. RTGS or NEFT or Click to pay, etc. Also, the websites should ideally start with 'https:' ('s' stands for security).
